

Kathy Havens Payne graduated from Bloomington High School in 1970 and served District 87 as a Special Education Teacher before beginning her career at State Farm in 1991. Kathy served as a School Board member and President from 2000-2004. Kathy is a recipient of the Illinois State Board of Education's "Those Who Excel" and Women of Distinction in Education. Kathy's responsibilities at State Farm focus solely on public K-12 education and include supporting the Chairman and CEO on national educational initiatives as well as managing State Farm's education partnerships. Through Kathy's work with the Achievement Matters Task Force, she helped garner support for the creation of the IlliniData system, an innovative data tool for teachers.
