

Robert Meeker retired from District 87 as the Assistant Superintendent of Business in 2002. He previously served as Supervisor/Manager of Bloomington-Normal Adult Education, Manager/Director of the Area Vocational Center and Regional Vocational System, and Assistant Principal of Vocational Education for BHS. Throughout his service, Robert championed resources to provide direct impact in the classroom while developing long-term expenditure plans. Robert led the implementation of computer technology and its programs including robotics, computer networking, and computerized graphic arts. Robert is a recipient of the Illinois Vocational Teacher of the Year as well as the Illinois State Board of Education's "Those Who Excel."
