

ILAVESNP

presents

Differentiating Instruction in Career and Technical Education Classes: A Focus on English Language Learners and Other Perkins Targeted Students

Participants will:

- Discuss the needs of English language learners and the characteristics of effective learning environments for all students
- Experience a sample standards-based differentiated lesson and work on applications for CTE classes
- Use the strategies modeled by Kagan and Marzano

Learn about Sheltered Instruction Observation Protocol, Understanding by Design, Total Physical Response, Reading Strategies and the Use of Multilevel Resources and Ways to Use Graphic Organizers

Presentation by Jeanette Gordon, Education Specialist, Illinois Resource Center, Arlington Heights, IL.
