Enclosed is a copy of our **Christmas Break** (bright green) and **Spring Semester** (bright orange) ACT prep class schedules. Last year, most of the Christmas Break and Spring Semester classes filled up well before the deadlines. We've already had students sign-up for these classes this year.

Parents can go to our website, [www.bettertestscores.net](http://www.bettertestscores.net), to get a copy of the enclosed schedules, additional information, and register online. Payment is not due until the first day of class, so seats can be reserved today.

Our **Fall Semester** classes have already begun. We currently have almost 200 students already signed up. The classes are divided by subjects. We still have room in all our classes. We are halfway through the Reading sessions. The other subjects will be starting the following weeks:

- English starts the week of September 26<sup>th</sup>
- Math starts the week of October 17<sup>th</sup>
- Science starts the week of November 14<sup>th</sup>

We will be sending each high school a set of Christmas Break flyers the first week of October. We will then send a set of Spring Semester flyers the first week of November.

If you have any questions, please feel free to contact me at 217-586-7560 or via email at [jason.franklin@bettertestscores.net](mailto:jason.franklin@bettertestscores.net).

Thanks.
