"Thank you so much for offering the class over break. I took the December ACT before your class and scored a 24. I was really excited after taking your class, so I decided to take the February ACT. I got a 29!!! Your the best!" - Josie

"I just had to send you a note. When I picked up my son after the first class, he kept going on and on about what you did in class. Everytime I picked him up, it was the same thing, he would go on and on about your class. He not only talked about the test-taking strategies you taught but also how you connected everything to college. I've never seen him so motivated about school before. The funny thing is I had to talk him into doing the class over break. Now, he's telling all his friends that they've just got to take your class. Thank you so much, Jason, for inspiring my son. Keep up the good work."
