

If you are taking one of the following classes...

- Algebra II/ Trigonometry
- Honors Algebra II/ Trigonometry
- Advanced Placement Statistics
- Pre-Calculus
- Honors Pre-Calculus

...then you need a graphing calculator.

Recommended Calculators

- TI-83 Plus
- TI-84 Plus
- TI-84 Silver

OR

- hp 39G+
- Casio FX9860G

Do not buy these Calculators

- Casio: Algebra fx 2.0, Class Pad, and all models that begin with CFX-9970G
- Texas Instruments: All models that begin with TI-89* or TI-92
- Hewlett-Packard: hp 48GII and all models that begin with hp 40G or hp 49G

*The TI-89 can be used only in AP Calculus and on the Advanced Placement Calculus exams. It is NOT allowed on the ACT test.
