Lines of Communication

- Good news
- Email
- Team time – 2:10-2:40 (827-0086)

Technology

- <http://www.district87.org/staff/johnsonc/>
- If you need a Skyward username and password, please contact the office.
- Skyward – Grades not yet entered show up as “Missing” with the home log-in.

Planners

- Planning – a Life Skill
- Students are given time at the end of day (1:10 p.m.) to fill out their planners.
- Please ask students to see the planners each evening.
- The planners can be an effective form of communication between home and school

Adopt-an-Animal

- Miller Park Zoo
- Service project for 7H students and families

7H T-Shirts

- Order forms are available.
- \$8.00 – short sleeve in purple or white

Positive Reinforcement Time

- One each quarter
- We plan around our students' interests and current academic units.
- In the past, we've gone bowling, to the movies, and ice skating.

Outdoor Education

- This fall, Ms. Shaw and Mr. Taylor will introduce the Outdoor Education program.
- The program is only for 7th grade students.
- The main criteria for the program is being trustworthy.
- We encourage early application.

Parent/Teacher Conferences

- Student-led
- Sign up sheets – Table in the hallway
