

# HELP THE HEARTLAND!

Student Council needs your help!

We are collecting coins to help people in need who live in the heartland.

Your extra change can help families that have been victims of disasters such as floods or fires.

We will have a race to see which grade level can collect the most change!

Student council will be collecting change in the lobby those mornings.

Collection Dates: Monday, February 8<sup>th</sup>-Friday, February 12<sup>th</sup>
