## UPCOMING EVENTS

### Stevenson School Carnival:

Our school carnival is tomorrow. It looks like the weather will cooperate for this fun event! Thank you to everyone who donated an item (or more☺) to our "Bow-Wow Basket". Our basket looks great. Please be sure to take a look at this basket during the carnival.

### Bloomington Field Trip:

Our field trip yesterday was wonderful! A big thank you to Mrs. Giusti, Mrs. Jones, Mrs. Taylor and Mrs. Mink for chaperoning our trip. We learned a lot about our community's past! WGN News (Channel 9) was doing a historical tour of the David Davis Mansion while we were there and it looks like our class will be on the WGN series when it airs. We were not given a date, but it will be on a Thursday.

### 4<sup>th</sup> Grade Picnic

Next Thursday, we will be walking to Clearwater Park for our picnic. Students were assigned to wear either a yellow or a green shirt for this day (if you don't have a solid shirt, don't feel the need to buy one). Students will also need to wear gym shoes and bring a sack lunch and a drink.

### Math News:

Students have been working very hard on mastering their math facts this quarter. We will be celebrating our achievements with an ice-cream party on May 21. If your child would like to bring in an ice-cream topping donation for this day, that would be great. I am very proud of the students for their hard work!!

#### \*SATURDAY: 5/15

Stevenson School  
Carnival 3:00-7:00

#### \*MONDAY: 5/17

Last Chance Math Timed  
Tests (Anthony Summer  
Unbirthday Celebration)

4th Quarter Honor Roll  
Party

#### \*TUESDAY: 5/25

Playday

#### \*WEDNESDAY 5/26

Last day of school  
9:00-9:15

**Science/Social Studies News:**

We just completed our Illinois Unit and I am happy to say that our class test average was great! The students learned so much about the history of our great state! The building projects and reports were exceptional as well. I hope to have pictures on the website soon!

In science we will be taking our last test next Tuesday on Classification of Living Things. The study guide for our test will come home today. This multiple choice test will be based on the information contained within the study guide.

We are wrapping up the Midwest Region in social studies. Our last test is scheduled for next Friday; however, we may push the test up to Wednesday.

We are reading “hero stories” in our reading series. At the end of the school year, your child will be bringing home our LAB book from our reading series. The LAB book will contain several pages that the students can work on during the summer. Students can check out the stories that coordinate with the LAB book from the public library or the bookmobile for supplementary reading.

**Summer Birthdays:**

Students wishing to celebrate their summer birthday at school have chosen a date in May to celebrate. You may send treats to school to celebrate; however, this is not required. We simply would like to give all students the opportunity to have us sing to them and to wish them a Happy Unbirthday. If you choose to send treats, if possible, could you please send napkins/paper towels as well? Thank you ☺
