Reading Counts 2nd Quarter

Many students are off to a great start with earning Reading Counts points for 2nd quarter. You'll find your child's current status attached to this graded paper packet. He/She should also be keeping track of points and independent reading in his/her assignment notebook on the RC page.

Homework Error

I apologize for the copying error on Tuesday's reading homework. The copy center is re-running all of these reading assignments for the year. It appears the machine sucked in two pages at once throwing off our front-to-back copies. Thanks or understanding that mistakes sometimes happen!

Pencils

Quite a few students appear to be out of pencils. While I can certainly provide them on a temporary basis, I'm hoping that the students will be able to bring some in soon. Please ask your child if he/she needs more pencils this weekend.

Cold Weather

As the cold weather sneaks up on us, please make sure your child comes to school dressed appropriately for outside recess. The students go out daily if the temperature is above 20 degrees. Let's keep them bundled up!

To Do List

1. Read for 15+ minutes each night.
2. Practice addition and subtraction basic math facts. Work on speed.
3. Make corrections on classwork below 75%. They are due by 9:05 on Monday morning.
4. Finish your science online activities including the leveled reader. They should be done by Wednesday.

Dry Erase Markers

We use fine dry-erase markers several times a week. You can imagine that they run out of ink quickly. If you are thinking of making a donation to the classroom, we could great use fine dry erase markers for the paddle boards and dry-erase boards.
