## Chord Practice

On each of the following staves, write a triad for each note of the given scale. Use only one octave. Identify each triad by its Roman numeral. Start the scale with the first note on the staff for that scale (do not start the scale below the staff.) Remember your clef and the key signature!

### C Major

A musical staff with five lines. Below the staff, there are eight horizontal dashed lines for writing notes.

### G Major

A musical staff with five lines. Below the staff, there are eight horizontal dashed lines for writing notes.

### D Major

A musical staff with five lines. Below the staff, there are eight horizontal dashed lines for writing notes.

### F Major

A musical staff with five lines. Below the staff, there are eight horizontal dashed lines for writing notes.
