

FIGHT THE DIRTY FILTER!

TO REACH THIS
YOU'LL NEED AN
OSHA-APPROVED
LADDER!

IT'S AN ICKY JOB,
BUT SOMEONE
HAS TO DO IT!
(GENTLY PULL)

LOOK AT HOW
DIRTY THIS
THING IS--
GROSS!
LET'S GENTLY
TAP IT OVER A
GARBAGE
BUCKET TO
RELEASE THE
DUST BUNNIES!

IF YOU NOTICE YOUR
PROJECTOR IS OUT OF
ALIGNMENT--LIKE THE
"START BUTTON" IS NO
LONGER IN THE LOWER-
LEFT CORNER--GENTLY
REPOSITION THE ACTUAL
PROJECTOR WITH YOUR
HANDS AND RE-FOCUS THE
LENS.
