

Oakland School Multicultural Fair

"We all Smile in the Same Language"

Dear Parents,

Oakland School is having its fifth Family Multicultural Fair on Thursday, February 23rd from 6:00 to 7:30. We were very excited about last year's fair, and are looking forward to another great event. To ensure a successful fair, we are seeking family participation to demonstrate what life is like in other cultures. We would like to expose the students to various aspects of each culture: clothing, food, crafts, dancing, games, music, language, etc. If you can assist in **any** way, please respond using the form below.

We look forward to working with you!
