Primary (K,2) ELL Teacher

## Welcome to a New School Year!

I am very excited to be working with your child this school year as we focus on the four main language domains; listening, speaking, reading, and writing. Each K and 2nd grade student will be pulled out of their classroom for 30 minutes daily to work in a small group setting of 3-5 children. I will be working along with the classroom curriculum and focusing on different themes throughout the year. Themes include: All About Me, My Family, Communities Around the World, Changing Seasons, etc...

The Kindergarten have already begun working on colors, shapes, numbers, and beginning sounds—I am proud of the progress I have seen in just a few short weeks!

The second graders have been reading stories and discussing nonfiction texts as well as reviewing different types of sentences. We also have been focusing on the language of math and what operations to use with different words.

We will also include social/cultural behaviors, holidays and traditions, expanding our vocabulary, comprehending texts and stories, speaking and writing in full sentences, and much more! If you have any suggestions, questions, or comments, please contact me at school. I will send home monthly newsletters about upcoming events and what we have been working on in class as well.

-Mrs. Uhren
