

LOVE OF BOOKS

(VALENTINE'S DAY BOOK PROJECT)

.....
My project is due: _____

Here's what to do:

Make a box based off of a book you have read and love (or really like).

Here is how to earn your points:

- *have the title of the book big so it is easily seen 10 points
- *have the author of the book on the box 10 points
- *have a picture of the main characters 10 points
- *have 2 adjectives describing the book 10 points
- *have all words spelled correctly 5 points
- *be colorful, eye-catching and neatly done 5 points
- *have the book with your box 10 points

OKAY...so you want MORE points:

find a model (toy or stuffed animal) of your main character and make it part of your box 5 points

record yourself reading your book (or a chapter of your book) on a tape and leave it for our class in the listening center 15 points

create your favorite scene from the book on your box (make it creative and specific, use neatness and lots of color) 10 points

ORAL REPORT or WRITTEN REPORT:

You will share your box with the class. Everyone does a box but you have a choice for the presentation. You may either write a report to hand in or you can do the oral report option. In both reports you must cover the following information:

1. What is the title of your book? Who is the author of your book? _____
2. Who is the main character in your book? Tell about him/her. _____
3. Why is this your favorite book (or a book you like a lot)? _____
4. What is the setting? _____
5. Tell about the action in your book.

6. You have included quotes on your box. Tell why you picked these and how they relate to the story .

7. Say something that gets others interested in reading your book: _____

It is 5 points for answering each of these questions.

If you are doing report orally, it is 10 points for speaking slowly, clearly and loudly.

If you are doing the written report, it is 10 points for having the questions in the answers, using correct spelling, punctuation and writing neatly.
