

Side Circle Guidelines

~for any students getting dropped off or picked up

The Oakland School Staff has developed an efficient system for the arrival and dismissal of students to parents in the side-circle.

Please read through these procedures. We believe strongly that students are safer and arrival/dismissal will run smoothly if parents are respectful of the guidelines for this area.

- There is **no parking** in the side circle during arrival and dismissal times. Parking and leaving the vehicle is not permitted, if you need to come into the building, use a visitor space or street parking.

- The speed limit for the parking lot and front circle is 7 miles per hour.
- Students are not allowed to approach the loading area until their names are called.
- Students must wait until the car has stopped in the loading area before approaching the door.

Students must load on the curbside of the car.

- Parents should *only leave their vehicle* if they need to secure a child in a safety seat.
- After your child is secure in your vehicle, please cautiously pull away from the pick-up zone to make room for the next family.
- When exiting the parking lot, **no left turns are permitted.** ***Please*** be respectful of this procedure; cars attempting to turn left impede the efficiency of this process.

The use of cell phones in a school zone is illegal. While in the parking lot, for the safety of all children and adults alike, please do not use your phone while your car is in motion. The front circle is for buses and daycare vans only during arrival and dismissal times.

~ Thank you to adhering to these guidelines,
David LaFrance

Drop Off Times 8:45-8:59am
Pick Up Times 3:15-3:29pm
