

ILLINOIS FEDERATION OF BUSINESS WOMEN'S CLUBS
2019 SCHOLARSHIP REQUIREMENTS – HIGH SCHOOL SENIOR

The Illinois Federation of Business Women's Clubs, Inc. (IFBWC) is very committed to education, as education for all women is one of the primary goals supported by IFBWC since its existence. IFBWC views a lack of education as the primary barrier to self-sufficiency and an improved quality of life. As a result of that commitment, when you investigate our organization as a whole or one of the local organizations throughout the state of Illinois, you will find that in almost all cases, IFBWC has been very generous in our financial assistance to women interested in furthering their education. For more information about IFBWC, visit our website at www.ifbwc.org.

Established in 2018, IFBWC proudly offers a scholarship program for high school seniors who meet the following application requirements:

1. Applicant must be female, a U.S. citizen, and a resident of the state of Illinois.
2. Applicant must be a graduating senior in 2019 who has been accepted to attend an accredited trade school, college, or university as a full-time student for the Fall 2019 semester.
3. Applicant must hold a minimum grade point average of 3.0 on a 4 point scale as of the completion of the Fall 2018 semester.
4. While not a sole determining factor, preference will be given to qualified applicants demonstrating financial need.
5. Successful applicants **must** be willing and available to compete in the Young Professional public speaking competition at the IFBWC State Convention on Saturday, April 27, 2019 (see attachment for competition details). Competition results will not affect the scholarship award; however, failure to participate will disqualify the applicant.

- a completed application form with all requested information, signatures, and dates;
- a 200-300 word essay (typed, double-spaced) stating the applicant's future educational plans and goals, including the profession she hopes to enter and an explanation as to why she has chosen this field of study;

- two (2) signed letters of recommendation from individuals other than relatives or close friends (*may include, but not limited to, teachers, coaches, sponsors, mentors, or advisers*).
