

**Young Hearts for Life
Free EKG Screening Program**

Young Hearts for Life is coming to our school on October 16th!

The EKG Screens for risk factors associated with sudden cardiac death (SCD). We want to give every student an opportunity for this **free** screening. The EKG's are read on-site by a cardiologist specially trained in identifying the risk factors of SCD.

To register your child, go to www.yh4l.org

, go to **“Registration and Events”** then click on **“Registration and Results”**. From there, click on **“Central Illinois Events”**, Select ***Permission*** button at the bottom of the page, then simply fill out your student's information. Select **BHS** in the form under the **school** drop down.

Save your confirmation email, you will need it to open the screening results.

Sign up by Oct 11, 2019

Parent and Community Volunteers are NEEDED to help with this event!

See _____ for information or to sign up to volunteer.
