- Started to listen to students read one-on-one

Writing

During our writing block this week we worked on completing individual math assessments. Students worked on their iPads to complete these assessments.

Math Minutes

- Calendar & Weather routines
- Topic I: Adding, Subtracting and Working with Data
 - ❖ Lesson 12: How many?
 - ❖ Lesson 13: Questions about Data
 - ❖ Lesson 14: review
 - ❖ Lesson 15: Animals in the Jungle
- We continued with math centers this week. The kids are learning to work independently as well as play games in partners.

Reminders

- Please send in individually packaged snack items for easy distribution on your child's snack day. We all share the same snack in the afternoons.
- We go to learning center on Tuesdays. Please send in your child's library book on or before each Tuesday so your child can check out a new library book each week. Remember to write down book titles on the green reading logs. When your child fills a log please send it back so they can get a new one.

REMEMBER TO READ AT LEAST 20 MINUTES EACH NIGHT!
