Assessments

This week I did some spot checking on power words before we have our conferences next week. We will talk about your child's reading level and what set of power words they are working.

Reminders

- We started guided reading this week. Each day your child has guided reading they will come home with a baggie and a paper book. Please have your child read the book to you at home and then return the baggie the next day. These paper books can be written down on the green reading log sheet and counted towards their book totals.
Thank you to all of the parents that attended our field trip to Rader Farm. It was so nice to have so many helpers!

REMEMBER TO READ AT LEAST 20 MINUTES EACH NIGHT!
