## Afternoon Zoom

Afternoon time is optional. We have this time set aside for additional Art, Music or PE activities. Students can access these Zoom links on my Google Classroom page. Kindergarten through Second Graders can choose which class session they would like to attend from 1:30-2:00. Students do not have to attend the same class every day.

After a few weeks, your child may be asked to get on at a pre-scheduled time for reading and/or math support or enrichment. You will be informed in advance when this will start and for how long.

If your child does not want to participate in any additional afternoon Art, Music or PE session that is completely fine. These optional activities are not required and their day is done at 12:15.

If you need to meet with me or ask any questions, I will have our Zoom link open from 1:30-2:30. Please use the same link we use for the morning session. This is optional for you as well.
