## A Note From Your Teacher

Dear Students,  
Please work on your letter names, letter sounds, & reading CVC words with short a & i. Practice reading the words on the Power Word Lists. Continue to work on forming your letters and numbers correctly. Also, practice using touch points with basic addition facts. We will be checking your progress on all of these skills when we begin in-person. Remember to complete the "Must-Do" September Choice Board on Google Classroom. ~Mrs. Dennis, Mrs. Galloway, & Mrs. Gilbert
