

**Bloomington Area Career Center**

**Field Trip Permission Form**

**2022-2023**

Throughout the 2022-23 school year, your child's BACC instructor may schedule field trips during their BACC class time that take the students outside of the BACC building and into the community. These field trips correspond with classroom lessons related to curriculum and workplace experiences. Students will be bussed, or in some instances, walk to field trip destinations.

Individual field trip permission slips for field trips taking place during BACC class time only will not be distributed. Field trips that take students out of other parts of their school day will be distributed and require an additional signature. Field trips will be posted on the BACC website calendar.

No student will be allowed to participate in any Field Trips unless their parent checks the box below to give them permission to participate.

Please complete the following giving \_\_\_\_\_ permission to participate in field trips this year at Bloomington Area Career Center.
