

Welcome Back to School!

Dear Bent Families,

Horatio Superstar

Welcome Back!

I hope you enjoyed a wonderful summer. I also hope you are relaxed, recharged and ready to start a new school year. It was wonderful to see you during Orientation week. We have an amazing learning community. I welcome and value your optimistic energy and commitment to excellence in education, and I look forward to working with you and your children.

We have been working hard to plan for remote learning and make this challenging process as easy as possible for all our families. Our skillful and enthusiastic staff are planning and preparing engaging lessons for your student(s). Our amazing office team continues to register new families, supporting our staff and updating student files. Our hardworking custodians have spent the entire summer thoroughly cleaning the facility and placing the hand sanitizing stations and floor markings for safety protocols. Our much-appreciated PTO is gearing up to welcome families, provide volunteer opportunities, and offer other exciting events and fundraising programs. We are indeed a caring community with the common goals of nurturing responsible, caring students and promoting high-level learning.

New Staff

Each year brings constructive change. This includes a few additions to our staff. We are delighted to welcome Christina Anderson, our Speech and Language Pathologist. Mrs. Anderson brings a solid skill set to meeting children's speech and language needs. We are fortunate to share Maria Fischmann, our new Bilingual Special Education teacher with Sarah Raymond School. We also have two additions in fifth grade: Anna O'Brien and Crystal Miramontes (Bilingual) both have been part of our community in other roles. We also count on the support of psychologist, Brian Corley.

Facilities Update

If you visited our school during Orientation Week you probably noticed our new seating area for parents. We also relocated the nurse's office to the kindergarten wing. This allowed our office staff to space out and have more social distance. The top floor houses our fourth and fifth grades. Our main level houses third grade, library/media center and our bilingual kindergarten class. Our lower level houses our first and second graders along with our music and art classes.

Thank you to all who are helping prepare for the new school year. Your commitment to ensuring that Bent Elementary remains a celebrated and successful school is remarkable. I look forward to greeting students and families again. It is an honor and privilege to serve as your principal. I am excited to welcome you all back (in person), so you can stop by and say hello. I know we will make this school year one of growth and achievement for all children, because "TOGETHER WE ARE BETTER."

Warmest Regards,

Guille Delgado
Principal
Bent Elementary School
