

## **Remote Learning Days Schedule**

**OFFICE HOURS:** 10-11:30 Monday through Friday

Hey team! We are beginning Remote Learning on Wednesday! **Here's what you can expect from me each day.**

1. Check in on the daily topic. This will be listed as "DATE-TOPIC"
  - a. for example: Wednesday, April 1- D87 Connects
2. Please answer the daily question and complete the assignment

### **Please be advised about the following changes and updates**

- This is a perfect time to improve your grades. At this moment, you can complete or retake ANY assignment from January to now. This includes assessments. For assignments that are classroom based, you may complete an alternative assignment (see below)
- On Google Classroom, I've put a material titled "Extra Credit/ Replacement Credit". These assignments will be used as replacement grades for any missing assignments (4 points each [so if the assignment is worth 8 points, you need to do two]), if you have no missing assignments, you may complete extra credit.
  - I've opened up your points so now you should be able to see it on Skyward. Please let me know if you cannot.
  - You still need to TURN IT IN ON GOOGLE CLASSROOM. Please DO NOT SHARE IT WITH ME, it gets lost and we both get sad.
- At this point, your grade can only improve. Please take advantage of this.
- I will be holding office hours each day (Monday through Friday) from 10-11:30. I recognize that some of us are on a "wake up at 3pm" schedule, so if you need me at some other time, please communicate that with me.
  - During these office hours you may email, text via google hangouts/remind, or Zoom with me.
    - Zoom will be limited to 1 student at a time, unless necessary. Again, communicate with me please.
