

## Star Of The Week

Dear Parents:

Every week one student will be spotlighted in our class. They will be our **STAR** of the week. They will get an opportunity to tell the class special things about themselves and items of interest they would like to share. I will do my best to have their birthday and **STAR** week correspond.

When your child is our **STAR** of the week, please help them with the following activities:

**Monday:** Bring in the information sheet about themselves and bring it back in with 5-6 of their favorite family pictures to display on our bulletin board for the week. I will use tape on the back of the pictures to put them on the bulletin board to prevent any holes being placed on your pictures from staples and tacks. If you misplace the information sheet you can get another copy from my webpage at the Washington school website.

**Tuesday:** Bring in one item from home that you would like to share with the class.

**Wednesday:** Bring in your favorite book to share with the class.

**Thursday:** Have parent or special grown-up come for lunch and read to the class. (Please contact me and let me know if this day will work-if not we can rearrange. ☺)

**Friday:** Bring in another item from home that you would like to share with the class.

As always, if you have any questions or concerns, feel free to contact me.

Thank You,

Christy Adams
