

EARLY COLLEGE OPPORTUNITIES

Heartland Community College

Attention: College NOW Career Center Students!

We know you are scheduled to take one or more HCC dual credit courses through your career center. So, ***if you haven't already***, you must submit the Heartland student application to be enrolled by Heartland for the opportunity to earn college credit!

To complete the application online:

- Go to heartland.edu/collegeNow/admission/applyNOW
- Choose **I'm not a robot** and **Apply Now**
- Select the following responses as they appear:
 - ▶ Take one or more classes.
 - ▶ I would like to earn HCC credit while I am still in high school.
 - ▶ By choosing from HCC courses offered through my high school/career center.
 - ▶ Select the start term for **Fall 2022**
 - ▶ Select **Yes** for "Do you plan to take courses through a career center this year?" Then, select your career center from the drop-down menu.

NOTE: There is **no** application fee. You will need to enter your correct birth date, social security number, high school graduation year, and an email address to receive your welcome letter. *You **do not** need to resubmit the HCC application every year as a high school student.*

If you want to earn college credit for the HCC dual credit course(s) you are enrolled in, you must successfully submit the Heartland student application by or before: **September 15, 2022.**
