COLLEGE NOW

You must submit the Heartland student application to earn both high school **AND** college credit through this program.

- ■ There is **no** application fee.
- ■ Placement testing is **not** required.

You **do not** have to re-submit the Heartland student application if you:

- ■ are a 2nd year career center student who has already submitted the Heartland application and earned dual credit

- ■ submitted the Heartland application for dual credit courses at your high school

The online application process may take approximately 10 minutes to complete. You will need to enter your correct:

- ■ date of birth
- ■ social security number
- ■ HS graduation month & year
- ■ email address other than your HS account

Heartland Application Deadline: October 31st

To start the application process:

- ◘ Visit **heartland.edu/application**

- ◘ Scroll down to choose **I'm Ready to Apply Online**.

- ◘ Select the following responses as they appear:

  - ▸ Take one or more classes.

  - ▸ I would like to earn HCC credit while I am still in high school.

  - ▸ By choosing from HCC courses offered through my high school/career center.

  - ▸ Select the start term for **Spring 2021.**

Additional Information

- Heartland will send your acceptance letter to the email address entered on your application **3 to 5 days after** successful application submission. *Be sure to check your email spam/junk folder.*

- Heartland will enroll students based on the dual credit rosters submitted by each career center.

- Your primary contact people are your high school counselor and career center instructors or staff.
