Principal's Message

Spring has arrived, and the end of this unique school year is here. Despite our many challenges this year, I am so impressed with some of the outcomes, such as the use of Zoom for conferencing with families. Technology has made it so much easier for home-school communication to occur.

Upcoming Dates:

- Registration for **next school year** is now open in Skyward Parent Access.
- **Summer Enrichment** applications are also being taken now in Skyward Parent Access – the window closes April 15. Accepted students will be notified by May 1.
- In person 3rd, 4th, and 5th graders will be taking the **Illinois Assessment of Readiness** test in English/Language Arts and Mathematics over the course of the next 3 weeks. There is not an option for testing remote students.
- In person 5th graders will be taking the **Illinois Science Assessment** on May 5. Again, there is no option for remote students to take the assessment.
- **ACCESS** testing for ESL students is occurring through the month of April as well. In-person students will be tested; remote students may come to school to test if families wish.

Picture Day is Coming!

April 14 is picture day. In-person students will have their pictures taken during the school day. Remote students may sign up to come in after school for pictures here: <https://forms.gle/CpncMmyDuMSoANqY7>

Please call the school with any questions.

Sincerely,

Ms. Lambert
