

IMMUNIZATION REQUIREMENTS

All students who will graduate in 2020 must submit proof of having the meningitis vaccine. Two doses are required, unless your student will receive the first dose after age 16.

All freshmen are required to have a physical dated on or after Aug. 20, 2018. The Illinois Child Health Exam Form is required and can be used as a sport physical. All immunizations must be up to date. Dental Exams are recommended for all 9th graders.

Please submit all required documents to the school nurse before the first day of school. Students may not attend school until the required documents have been turned in to the nurse before the first day.
