

FREE DENTAL CLINIC

Orland Park Dental Services and The Illinois Department of Public Aid have arranged for dental services for eligible children. They not only provide dental services to children eligible for public aid, they also provide free dental exams for non-eligible children.

These services may include:

- an exam
- cleaning
- fluoride treatment
- sealants (a protective coating on the chewing surfaces of back teeth)

Licensed dentists, hygienists and assistants will come to BHS with portable equipment.

This will count for the required 9th grade dental exam
