Dear Parent/Guardian of a Future Purple Raider,

Bloomington High School is offering your student the opportunity to attend Raiders 101. Raiders 101 is a one week summer transition program at Bloomington High School. Raiders 101 will help your student “jump-start” their high school career and make a smooth transition to high school. During Raiders 101, your student will participate in a community service project and team and character building activities with their peers and BHS teachers. Through group discussions, games, tours, and MORE, the Raiders 101 program will help your student develop the skills needed to become a successful Purple Raider.

COVID-19 safety precautions will be implemented, including social distancing and proper mask wearing.
