Abby Levingston is discussing the Urinary System in Health Careers and Medical Terminology class

Courtney Hornke is enjoying her time in Cosmetology class. This year we are covering Textural Reformation of the Hair. It is a challenging, but rewarding unit of material!

Pictured is Michael Kennedy, a BACC Fire Science student. In class, Michael practices donning firefighter turnout gear quickly! Firefighters are expected to don their turnout gear in less than 60 seconds. Great job, Michael!
