

THE BACC PROFESSIONAL PRESS

FEATURING Tri-Valley Students

Senior, Steven Knipp is working on Adobe Illustrator composition skills and perfecting his designs using several new features including the Direct Select and Pen tools. These tools have helped him to create mirrored and rotated pieces like the ones shown here

Sydney Stiles is practicing height and weight in Nurse Assisting Class.

Luke Myszka is working on his first set of virtual networking labs in BACC's Computer Technology & Networking class.
